Unfinished Business

Discussed the cash calendars. 3<sup>rd</sup> Vice Gentile reports that all checks will be mailed by the end of the week. We made about \$25 after everything is paid out. 3<sup>rd</sup> Vice will have a breakdown of prizes, etc. at the State Convention.

National Life membership vouchers should be used ASAP. If you do not plan to use them, send them back to National and they will cut you a check for the right amount.

Convention Chairman Spencer went over a bunch of Convention related items.

Officer Reports: are due by June 2. Anything else for the Convention book is also due by this time. If you need more time, contact him ASAP.

Deceased Members: we have at least 1 deceased member this year

Convention Schedule has been set with the AMVETS

Convention Agenda will be discussed with the Commander for any items he would like specifically on it.

Convention Rules will be sent to the JA for review.

Minutes-will be given to me via email for the convention book

Proposals and resolution can be submitted by anyone. If you want them in the book, they need to be in by June 2.

We will have a table shirt sales and registration at the convention. It will be in the vicinity of the AMVETS table. Each officer will be required to work the table on Friday or Saturday. We broke up the list as follows:

Friday 11-12-Bill Barry	Saturday 8:30-10-Dave Spencer
Friday 12-1-Mike Bruno	Saturday 10-11-Phil Wood
Friday 1-2-Henry Shilo	Saturday 11-12-Steve Dugan
Friday 2-3-Al Gentile	Saturday 12-1-Joe Crump

Friday Night is Western Night, Saturday night is the Commander's Banquet. If you can go, you should do so. Tickets are available downstairs and are \$25 each. We do not know if they will be available at Convention.
